About Benjamin (Ben) Reif-Caplan

Ben has been part of the Monterey community for over 25 years, first introduced by his in-laws, Ika and Elliot Reif Small. As a parent and engineering leader with over 20 years experience managing teams, budgets, and complex decisions, he's committed to thoughtful, transparent leadership that balances strong services with long-term financial sustainability.

Experience & Approach

- Experience in **management, budgeting**, and team **leadership**
- Experience making complex, high-stakes decisions
- Collaborative, **solution-oriented** leadership style
- Committed to **transparency** and **community engagement**

Priorities

Education

Support strong schools while maintaining long-term affordability.

Emergency Services

Ensure reliable coverage while exploring cost-effective solutions.

Housing

Address housing needs while preserving Monterey's character.
